## THE LEGENDS

**THE LEGENDS** are Southern California's original and most authentic Motown and Doo-Wop Revue with over 20 years in the San Diego music scene! Hands down, San Diego's favorite oldies show band!

Known for their tributes to early 50's - 70's Rock 'n Roll, The Legends cover hits from Tina Turner, Dion, The Supremes, Frank Sinatra, The Marcells and more — with authentic sounds, wigs, costumes, and choreography!

The Legends were founded in 1987 by drummer Howard Blank (original member of "The Outsiders" with the mega-hit "Time Won't Let Me") and includes some of San Diego's finest singers and musicians. Always an entertaining show, The Legends are sure to be a big hit in Kensington!
